Are you an existing customer?

☐ Yes ☐ No

Status

☐ Owner ☐ Occupier ☐ Builder

Surname

First name/s

Registered company name (if applicable)

Postal address

Phone number

Email address

Signature

Date

☐ I have read and accept Mercury's General Residential Terms and Conditions and Specific Terms - Electricity and Piped Gas. I accept responsibility for all ongoing supply and service charges while I remain the registered customer at this property. I indemnify Mercury against any costs, losses or claims incurred as a result of the information provided being incorrect.

### Electrical contractor details.

Full name

Phone number

Email address

☐ I understand and accept that if the customer or the customer's agent has not completed the section above, then I will be registered to the property, and be liable for all ongoing supply and service charges under Mercury's General and Specific Terms for the supply of Electricity and Piped Gas.

☐ I warrant that the nominated network contractor is authorised by the local network owner to undertake the work required for connection to that network.

Comments

(Detail Alterations, 11kV requirements, or any additional information. If advantageous, please attach a sketch of the proposed works)

☐ Sketch attached

Notes

Approximate the actual site on this plan or provide a sketch.

Please tick the appropriate item to show where approximately the meter box, pole and DP are located (for rural areas please write the pole number).

Unrestricted access is required to the meter box.

If cabling crosses the property boundary As Builts may be required.

Any sketch is completed for recording purposes only. Mercury accepts no liability for authorising supplied information that is in error.

Note: This application will be automatically returned if NOT signed, or if all required fields are not completed.
